

# INVOXIA BIKE TRACKER

## Locate your bike and protect it against theft!

Attach the Bike Tracker to your bike seat. In case of suspicious movement or attempted theft, you will be alerted via your smartphone.

The 3-year subscription to the Sigfox network is included (€9.99/year for subsequent years).

### Functionalities

- Anti-theft alert: the user receives a notification when suspicious movements are detected
- Ability to create safety zones with crossing alerts
